

FROF - Clapet valve DN 32:400

Clapet valve in PVDF without spring, ISO-DIN series.

EPDM

FROF – Clapet valve DN 32:400

- Installed with FIP QPV (d50 – d160) stubs and QRV stubs using flat gasket QHV/Y (d225 – d315), on PVC piping class PN10 or lower with type ODV flanges
- **Metal support for easy and precise centring** of the valve during installation
- Can be installed in either a vertical or horizontal position
- **Sealing system with O-ring** for optimum sealing and installation without flat gaskets
