SRIF – Ball check valve DN 15:50

- Connection system for weld joints
- PN10 **valve body made for PP-H injection moulding** and European Directive 2014/68/EU (PED) compliant for pressurised equipment. ISO 9393 compliant test requirements
- The valve can only be used with fluids with specific weight under 1,20 g/cm³
- **Sealing system with antiblow out design**
- Ball entirely in talc-filled PP
- Can be maintained with the valve body installed
- Can be **installed** in either a **vertical** (preferable) or **horizontal position**
