VZIV – Foot valve DN 10:50

- Connection system for solvent weld and threaded joints
- **No metal parts in contact with the fluid**
- **Piston with incorporated counterweight** able to work with high intensity fluid
- Limited pressure loss. Only minimum back pressure is required for the hermetic seal
- **Valve material compatibility** (PVC-U) with water, drinking water and other food substance conveyance according to **current regulations**
- Can be maintained with the valve body installed
