

RVDV-RVDT - Sediment strainer DN 10:100

RVDV PVC-U rigid - RVDT PVC-U transparent.
Sediment strainer with male ends for solvent welding.

EPDM

RVDV–RVDT – Sediment strainer DN 10:100

- Connection system for solvent weld, threaded and flanged joints
- **Strainer** mounted on an easily removed **support** that facilitates the cleaning or replacement
- **Valve material compatibility** (PVC-U) with water conveyance, drinking water and other food substances according to **current regulations**
- Can be maintained with the valve body installed
